

Blondie in Concert

UK Tour – 6 – 21 November 2021

Undeniably one of the most trailblazing and influential bands of our time, Blondie is pioneering frontwoman/songwriter Debbie Harry, guitarist/conceptual mastermind Chris Stein and powerhouse drummer Clem Burke, along with now long standing band mates bassist Leigh Foxx, guitarist Tommy Kessler and keyboardist Matt Katz-Bohen.

For the last four decades, Blondie has become and still remains a true global icon; one whose influence both shaped and continues to inform the worlds of music, fashion and art. From an irreverent Lower East Side punk outfit to bona fide international ambassadors of New York cool, Blondie will forever be synonymous with that punk spirit that lives somewhere in all of us.
