

Concerts at Wembley Stadium 2024

Immortalized by the stomping boots of Freddie Mercury and echoed by the soulful voice of Adele, Wembley Stadium is a titan of live music. Few can match its epic scale, a gig here is a rite of passage for legends in the making.

Wembley Stadium is the largest stadium in the UK and a symbol of prestige in the world of live music. With a staggering capacity of 90,000, Wembley Stadium has played host to historic concerts by legendary acts such as Queen, Michael Jackson, and Adele. The sheer scale of the venue, combined with its state-of-the-art facilities, creates an unparalleled atmosphere for epic performances that go down in history. From major music festivals to record-breaking stadium tours, Wembley Stadium is the ultimate destination for unforgettable live music. When the lights go down, and the music begins, you'll know you're part of something truly special at this legendary London venue.

A wide range of VIP Hospitality facilities within the stadium are available at all concerts including tables in one of the many suites or your own private box for parties on 8, 12 and 20.
