

Dua Lipa in Concert

UK & Ireland Tour – 10 – 28 September 2021

Dua Lipa's debut album made the musician a household name across the globe, transforming the London-born singer-songwriter into one of the world's biggest pop stars. The album contains the hit singles IDGAF, Be The One, Blow Your Mind (Mwah) and New Rules, and has achieved platinum status in both the US and UK.

Lipa followed up the success of her debut album by delving into electronic music with the collaboration single One Kiss, teaming up with Scottish producer Calvin Harris. The track topped the Official UK Singles Chart for eight consecutive weeks.

The tour is in support of Lipa's sophomore album, Future Nostalgia, and will be her biggest headline tour to date in 2021 to support the release.
