

Hampton Court Palace Festival 2024

Hampton Court Palace Tuesday 11 – Friday 21 June 2024

The Hampton Court Palace Festival is an annual event held at Hampton Court Palace, a historic royal palace located in London, England. The festival typically takes place over several weeks during the summer months, usually in June and July. It features a diverse lineup of concerts and performances by renowned artists from various music genres, including classical, pop, rock, jazz, and more.

Concerts at the Hampton Court Palace Festival often take place in the stunning open-air courtyard of the palace, providing a unique and memorable setting for attendees. In addition to the musical performances, guests can also enjoy dining experiences and other entertainment options within the palace grounds.

The festival has gained popularity for its combination of world-class music, historical ambiance, and picturesque surroundings, attracting visitors from across the UK and beyond.
