

Monaco Historic Grand Prix

Saturday 11 – Sunday 12 May 2024

This popular event takes place on the same circuit used for the Monaco Formula 1 Grand Prix with a range of vintage and charming old cars that offers a travel back in time for fans.

Organised every two years by the Automobile Club of Monaco (ACM), it's a great success as more and more spectators from around the world attend in increasing number every year.

A wide range of ticket only and VIP options are available for the two main days or just for the Saturday or Sunday if preferred.

See the circuit map below for location of the grandstands and the main VIP Hospitality locations around the circuit.

Please contact for further information.
