

Steps in Concert

UK Tour – 2 Nov – 1 Dec 2021

Steps are a British five-piece known for their electro-pop sound and sparkling stage presence, complete with matching outfits and fun dance routines. The band initially formed in 1997.

Right out of the gate, Steps scored a hit with their debut line dancing-inspired song *5, 6, 7, 8* and in 1998 they dropped two more top-charting tracks – a cover of Bananarama's *Last Thing On My Mind* and *One For Sorrow* – before reaching No.1 with their fourth single, the ballad *Heartbeat/Tragedy*.

In September 2020, the enduring pop legends released the single *What The Future Holds* and also announced that their sixth studio album by the same name would arrive on 27 November 2020.
