

The Weeknd in Concert

UK Tour – 22 October – 3 November 2021

The Weeknd's first full-length album, *Kiss Land*, arrived in 2013. A dark and eerie collection of songs, he said that his aim was to capture the feeling of fear that comes from watching a horror film.

His follow-up, 2015's *Beauty Behind The Madness*, began his reign on the Billboard albums and singles charts. Selling over three million copies, it was certified triple Platinum by the Recording Industry Association of America.

The Weeknd named his third record, 2016's *Starboy*, in tribute to pop icon David Bowie after his 1972 classic hit *Starman*.

The Weeknd's fourth studio album, *After Hours*, came out in March 2020. Debuting at the top of the Billboard albums chart, it was powered by the massive lead singles *Blinding Lights* and *Heartless*, which introduced elements of dream pop to his sound.
