# LIFETIME ADVENTURE: A DAY IN ANTARCTICA

Worldwide Experiences

Nunatak Mountain Antarctica | All Year | 2 people

**Your own Champagne picnic in the most remote place on earth!**

This really is the adventure of a lifetime! Be one of the few on earth that have flown into the interior of Antarctica. Antarctica has no permanent inhabitants, and the interior is only usually accessible to scientists and explorers. Departing from Cape Town you will fly over the Southern Ocean and the amazing Icebergs before crossing into the Antarctic Circle and landing on the ice. You will be transported from there to a temporary guesthouse and be given the opportunity to do several unique activities on the ice. The day will finish up with a fabulous champagne dinner. You will spend approximately 10 hours on the ground in Antarctica, so there is plenty of time to absorb and appreciate the magnificent landscape you are in!
