AIR COMBAT

Worldwide Experiences

An incredible half-day, advanced air combat program taking place at Phoenix-Mesa Gateway Airport in Mesa, Arizona. The sun shines 360 days a year in Mesa, making it the perfect place to host a corporate event or plan a vacation getaway to fly. Williams Gateway Airport is located on the site of the former Williams Air Force Base, where more fighter pilots were trained than at any other base in the USA. It features three runways bordered by beautiful mountain views. The Extra 300L can often be seen at air shows and world aerobatic competitions demonstrating its incredible capabilities. The Extra is stressed to +/- 10G's, has a roll rate of 360 degrees per second and no prohibited manoeuvres, making it one of the safest and most capable aircrafts in the sky.

FAQ

DO I NEED A PILOT'S LICENSE?

No. You must be at least 15 and should be under 6'6" and 250lbs. The level of intensity is tailored to each client.

WHAT IS I DON'T LIKE TO FIGHT AND JUST WANT TO FLY?

Then schedule an Aerobatic Super Ride. Be hands-on or simply let your fighter pilot show you the manoeuvres you want to see - it's up to you. You spend 45 minutes in the air, performing all the aerobatic manoeuvres you select from a virtually limitless list of aerial stunts.
