GORILLAS IN THE MIST

Worldwide Experiences | Rwanda

Head to the lands of gorillas in the mist, under the iconic volcanoes of Rwanda. You'll experience one of the most magical countries in Africa, which is still widely untouched, and have the chance to get up close and personal with one of the animals most akin to humans - the gorilla. Making eye contact with these incredible beasts and seeing them in their natural habitat is something that you'll remember forever.

BACKGROUND

1988 American Drama Film
Gorillas in the Mist tells the story of naturalist Dian Fossey's work with the mountain gorillas in the beautiful volcanic mist of Rwanda, Africa. The Rwandan mountains are a gorilla's natural habitat and the opportunity to see them in this environment is life-changing. Expert trackers and guides take groups of small number up through the bamboo-covered slopes to spend an awe-inspiring day just feet away from the magnificent and gentle creatures
