

French Open Tennis 25 May – 9 June 2024

Roland Garros Paris France

The French Open, also known as Roland Garros, is one of the four Grand Slam tennis tournaments held annually. It is held at the Stade Roland Garros in Paris, France. The tournament is typically played over two weeks in late May and early June. The French Open is the premier clay court tennis championship in the world and is widely considered the most physically demanding tennis tournament due to the slow-playing surface and the best-of-five-set men's singles matches.

Novak Djokovic emerged victorious at the 2023 French Open, securing his 23rd Grand Slam title by defeating Casper Ruud in the final. The thrilling match concluded with a scoreline of 7-6 (7-1), 6-3, 6-5 in favour of Djokovic. With this remarkable achievement, Djokovic surpassed Rafael Nadal to claim the men's record for the most major titles¹. His legacy continues to shine brightly on the tennis court!
