2023 Legends of Rugby Dinner

Official Packages, Wednesday 1 February 2023

The winning combination of music and rugby will once again come together on Wednesday 1st February 2023 for the Legends of Rugby Dinner in aid of Nordoff Robbins Music Therapy. The sell-out event returned to the social calendar earlier this year and guests were treated to another glittering and magnificent night of entertainment, so synonymous with this long standing and ever popular dinner. Next year's dinner will have all the makings of yet another incredible night.

The UK's great and good of rugby will come together to honour Alex Goode and Emily Scarratt, whilst being entertained with live musical acts and raising valuable funds for the extraordinary work of Nordoff Robbins. The acts are yet to be announced but previous years have seen performances from Dua Lipa, Texas, KT Tunstall, Madness, Stereophonics, Keane, Roachford and the list goes on.

The evening continues with the legendary and infamous Afterparty at the Karma Sanctum Soho Hotel with the players. This is a night not to be missed!

Alex Goode

Goode was destined to be a successful and professional sportsman from an early age. He was an all-round gifted athlete, but it was rugby that really grabbed his attention and his passion. Hailed as one of the most versatile players in Saracens, the full back has been one of the shining stars since making his debut in 2008.

Goode has had a glittering career so far, gaining 21 caps for England as well as winning five Premiership titles and three European Cups with the Men in Black. As a member of one of the most successful club teams over the past decade, Goode was named Premiership player of the year in 2019 in recognition of his pivotal role and enormous contribution within the club. It is widely accepted that Goode's remarkable play has provided a crucial part in Saracens' victories.
