## WALES GUINNESS SIX NATIONS 2022

Saturday 12 February – Saturday 19 March 2022

Home Fixtures – Official VIP Corporate Hospitality Packages

The Wales national rugby team was established in 1881, the same year that Wales played their first international against England. The team play all home matches in Cardiff's Millennium Stadium since it replaced Cardiff Arms Park as Wales's national stadium in 1999.

Wales are the current Guinness Six Nations Champions, their sixth in of the Six Nation era, trailing only England on seven – after Scotland overcame France in Paris at the end of the 2021 campaign.

In 2022 Wales take on both Scotland and France at home as well as Italy and hope that they can continue their winning form next February and Match.

Euro Events are pleased to be able to offer two great hospitality options in Cardiff as well match tickets only.
