A ONCE IN A LIFETIME OPPORTUNITY TO DRIVE A F1 CAR!

Head to Magny-Cours, France - previous home of the French Grand Prix. Take the wheel of a real F1 car with over 650HP and try to reach 300 km/h! You'll get the chance to be an F1 driver for the day, with a team of mechanics and engineers, who will set up the Formula One car for you to test it to the limit. You will have at your disposal the Prost and Benetton B198 cars.

The experience includes an initiation and seat time with a Formula Renault single seater, comprehensive instruction and a progressive-based approach to learn the track. Once fully prepared you'll be handed the F1 car to take on the track! Nothing will prepare you for the power and G-Force of this car, an experience you'll savour for the rest of your life. Your trip also includes 2 nights' accommodation in a luxury hotel in France.
