After refuelling at Lukla, you'll head up to a mountain lodge where you'll dine and sleep at 4500m, a view of Everest from your cabin window. Champagne will be served at breakfast the following morning and you'll watch the sun rise over the world's tallest peaks. Next, you'll be flown by helicopter to Everest base camp, the starting point of legends. This five-day, four-night trip includes accommodation in Kongde, Kathmandu and Chitwan, along with internal airfares and transportation.
